FRENCH DEAL X TRANOÏ

The French Deal brand will be presenting at the Tranoï Show on June 22-24 at the Palais de la Bourse in Paris. The Tranoï Show is held at the same time as Paris Men's Fashion Week, highlighting unique and international designers creations and expertise in the form of a hybrid trade show.

We are pleased to announce that French Deal will be presenting key pieces from the latest collections and an exclusive preview of the new collection, Volume IV.

The founder, Steeven Kodjia, will also be present and available to meet with other professionals.

THE FOUNDERS

Steeven Kodjia is a former professional dancer who began his career in fashion in 2012. **Ian Mahinmi** is a professional basketball player currently playing for the Washington Wizards. **Ousmane Dabo** is a former professional football player having made a career in Italy. They partnered and developed French Deal's collections by sharing the same passion for Hip-Hop culture.
