

# TAPE MEASURE

Print this page to measure your head size

*FrenchDeal.*

1. Cut out the 3 parts of the tape measure following the lines drawn for this purpose.
2. Tape or glue the different parts at their ends to make your tape measure.
3. Place the tape measure 1-2 cm above your eyebrows.
4. Go around your head as shown in the picture.
5. Hold the tape measure loosely around your head.  
The arrow will show you your head size and the corresponding beret size.
